I was blessed to have your class this year and it was honestly one of the best things that I could have done here at school. The switch from an A.P. U.S. History course to yours was a good one. There have been many times that I have held back emotions because of a lot of what we have learned applied to the things that I was going through. You are without a doubt the best teacher I have had because you generally care about your students. I love the way you teach and more importantly I love your concern for others. I will miss you, Mr. O'Hanlon. – Teyler W.
